

YOUR DOLLARS AT WORK

at the *Berkeley Public Library*

Every gift to the Foundation — and we mean every — is put to work to make our great library extraordinary. Whether it's a major gift or your ongoing annual support, your impact is everywhere at the library.

It's Time for Central

The funds we raise now are bringing high-impact improvements to the first and second floors of downtown's historic Central Library. Your gifts meet these needs:

\$100,000+ — BRIGHT IDEAS

New lighting means every library user has a bright, energy-efficient place to shine.

\$40,000+ — A SOUND INVESTMENT

Dynamic Meyer Sound and visual installations give learning a high-tech boost in Central's new teen space.

\$25,000+ — SHHHH....

Sound-proof glass doors in the Reference Room and folding panels for the teen area can transform these spaces on a dime for quiet study or community activities.

\$7,500+ — SO MOVED!

Mobile bookshelves give librarians flexibility to reconfigure spaces, and new hanging rail systems will bring changing art exhibits and displays to the library.

\$3,000+ — GO TEAM, GO!

Moveable furniture and comfy window seats create inviting spaces for library users to work together on projects.

\$500+ — A PLACE AT THE TABLE

New tables and chairs add more user capacity in the newly refurbished spaces.

ROSA SHATTUCK CIRCLE, GIFTS OF \$1,000+

Annual or one-time gifts at this level help us provide critical resources for library innovation and excellence:

- A partnership with **Cornerstones of Science** supports an exciting model for science literacy programs.
- **Berkeley Builds Readers**, a literacy project that provides resources and training, allowing librarians to go directly to childcare centers in underserved areas of the city.

GIFTS OF ANY SIZE

Every size gift makes a difference. Your support allows us to fund:

- Laptops for homeless teens.
- The popular **Library on Wheels** — bicycle-based library service.
- Events that spotlight authors, artists and thinkers such as the Foundation's annual **Authors Dinner** and **AfterWORDS** series.
- Advocacy for the library and its amazing programs.
