

Compensation of Employees

The compensation of the Executive Director is set by a vote of the Board of Directors at the time of hire. The Executive Director is not a member of the Board. Compensation is reviewed annually by the Board and any changes to the compensation must be made by majority vote of the Board of Directors. The Executive Director is responsible for hiring all other employees and contractors. Compensation for other employees and contractors is determined by the Executive Director at rates that are keeping with the annual board approved budget.
